

REMARKS

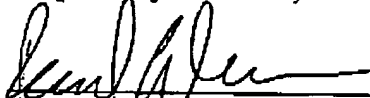

Claims 49, 50, 60, and 61 were previously withdrawn. They are now returned to this case to comply with the Examiner's requirements in the Office Communication.

Claims 50 and 61 are amended to include only a single species.

It is believed that these changes now make the claims clear and definite and, if there are any problems with these changes, Applicants' attorney would appreciate a telephone call.

In view of the foregoing, it is believed none of the references, taken singly or in combination, disclose the claimed invention. Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

Attorney for Applicant
